6th Ave Wine Walk Update!
By Chantine McBain
Saturday, May 12, 3 p.m. - 6 p.m.
DRINK| WALK| SHOP|
Be Awesome!

Greetings and salutations, 6th Ave!
We began preparations for our first ever wine walk roughly six weeks ago, and what a wild ride it's been! First off, I want to thank everyone who's been involved in the process. It has been so amazing to see all of the businesses on The Ave join hands to make sure that this event is a success. From marketing and promoting the event to helping with wine glasses and all of the little things in between, this event has come together because of a phenomenal team effort and I could not be more pleased with the outcome. A huge thanks to 6th Ave Manager Angie Lokotz who worked behind the scenes, doing all of the stuff that nobody seems to want to do but has to get done all the same. She's amazing and we are lucky to have her!

Art on the Ave Update
Art on the Ave is currently shaping up to be a great event!

Vendors: 90 Vendors are currently registered with more registering everyday. If you would like to have a tent at this year's festival please make sure you fill out our vendor form on artonthave.org. Remember, if you have a storefront on 6th Ave you are not guaranteed the space in front of your store unless you register. Vendor spots are just $75 for 6th Ave members. We are making every effort to make sure that 6th Ave Businesses are not competing against similar types of vendors. Securing your tent spot will make that exponentially easier leading up to the event. If you have questions about vendors please feel free to reach out to Katie at katie@thewarehousetacoma.com.

Marketing/Sponsorships: Posters will be available the first week of May for 6th Ave businesses to begin posting in their spaces! Updated posters featuring sponsors, bands, and other information will be updated during the first week of June. The Warehouse has also commissioned a number of coasters with the Art on the Ave logo to be handed out to bars and restaurants as well. Be on the lookout for an email from Doug (doug@thewarehousetacoma.com) regarding sponsorship opportunities. There are a number of affordable options that you can group together with your neighboring stores and share in supporting this free event. If you've never sponsored the event before this is a great way for your business...

Broomie Award
Half Pint Pizza Pub!

Congratulations to Josh Norris of Half Pint Pizza Pub on winning the April Broomie. This Broomie award may be the most deserved because Josh fights a daily battle with trash. Half Pint seems to be located at a trash vortex. The conversation surrounding this particular award has expanded to the upcoming meeting where we will entertain Mike Slevin of Tacoma Solid Waste and his crew to hear what they have in mind for 6th Ave. Come to Tuesday’s meeting and contribute to the conversation.

Grand Opening at Dazed and Reused

On April 14 Christopher and Nancy Franklin held their Grand Opening. Their shop is an eclectic mix of thrift store and art studio located in the former Ubi’s space at 2607 6th Ave. It’s a great place to sit, have a cup of coffee, and create. Classes are held in the large classroom at the rear of the shop, but art supplies are generously spread around the front seating area as well.

Safety Committee Report
Garbage issue

At our last general meeting we were made aware TPU has begun discussing making businesses financially responsible for the cost of picking up the garbage and recycling from the containers on public sidewalks. Membership was 100% against this idea and it was agreed The Board would draft a letter and let COT and TPU leaders know our opinion and asking to be involved in any future discussions. A letter was presented at the last Board meeting and approved with a few edits. It will be sent out shortly and we’ll keep everyone apprised of new information or correspondence at the general meetings. This issue was also brought up at the last CDA meeting and the CDA is planning on the same course of action. This is all in the “discussions” stage so we’re trying to get out in front of it but that also means there’s a good chance there won't be anything to report, good or bad, for a considerable period of time.

CDA Update:

The CDA is continuing to meet on a monthly basis and has been focusing on getting additional content for our website; ExperienceTacoma.com. If your business is hosting an event or you know of any fun activities within Tacoma please visit the website and get them added to the events calendar.

The CDA has also been working on ways to help promote events in all of our districts and ways we can pool resources to make everyone’s events more financially rewarding.

Manager’s Report
Sharing! Here’s to the power of social media marketing done well.

In less than six weeks, the 6th Ave Events Committee* sold out our first annual Wine Walk (taking place Saturday, May 12, from 3-6 pm) with no advertising dollars spent. There was also street pounding, door knocking, phoning, texting, hand-wringing, and head-hanging involved, but the event sold out in four weeks due to persistent posting and sharing in our 6th Ave Tacoma Facebook Event.

6th Ave’s Facebook page has well over 11K likes and over 10K followers. But this event had a reach of 68K, a viewership of 3.8K, and a response rate of 2.5K. So, for each of the businesses who shared or posted something in that event stream, your message went out to that many people. Many businesses took advantage of our reach, but some did not. So, for those who did not share, our Events Committee* shared for them, posting pictures, raffle items, locations, who they were paired with, etc.

Event page views hovered between 200-600/day; the most views were at the very beginning and for the last week as posting kept the event fresh in everyone’s Facebook streams. The audience for the event page was overwhelmingly female, between the ages of 25 and 54, but the page attracted a good number of males in that age bracket as well. And so, for an event that was first posted on April 1; we sold out our tickets by April 30. Cost of advertising: zero. (Unless you count the many hours of keyboard pounding and progressive carpal tunnel by the Events Committee*.)

Website Improvements coming along.

We’re making progress getting our on6thave.org website to look and work better with phones and devices. We had 1957 page views last month. Please check out your listing links to make sure they are still valid and please continue to email the webmaster with your events. As you can see by the (tiny) case study above, 6th Ave has reach and we can use it to help promote your business. But we can’t make that stuff up. You’ve got to be willing to share.

Last Call for Membership Dues!

For those of you who are waiting for the last minute to pay your membership dues, here’s the last call. Dues must be paid by June in order to assure a discounted rate on an AoA Booth, a listing in our Newsletter, a door/window decal, and a member citation on the website. If you haven’t received your decal, please let me know. Each year Mario Lorenz and I have a bet to see who will get to 50 members first. I had high hopes at the beginning of the year and made a goal of 100 members. Well, we’re currently at 58, so please get your dues in. All of you should have received an emailed invoice back in Jan-Feb. If you need me to send a reminder, please let me know.

Needed: Nightowl to Write about 6th Ave After Dark

Please send a writing sample to Newsletter Editor. Looking for anything from restaurant/bar reviews to “humans of 6th Ave”-type stories, etc. Fortune and glory may ensue, but we can only guarantee a byline.

President’s Message
By Christina Smyre

We’re in an exciting time for the Ave!

With Spring and Summer comes ice cream cones, walks down 6th, shopping, brunch, waits in the sun, and events!

Friends + Businesses are you ready for AOA?!

This year The Warehouse is helping us host Tacoma’s best street fair! Three stages, hundreds of vendors, live art, and a pretty fun surprise this year is currently in the works! You still have plenty of time to buy your booth space, or sign up to volunteer! Email katie@thewarehousetacomacom for more details.

Be kind:

What make SABD so amazing is it’s community art. Soon our big belly garbage cans will be wrapped with them as well. But it’s a shame okay when people tag it, so if you see graffiti tags on murals / places it shouldn’t be - please use Tacoma’s 311 app to suggest removal. 311 is available via phone call, App, or Online.

Building owners:

Do you have a blank space that could be someone’s claim to fame, or just really proud of?! Reach out to us at on6thavetacomama@gmail.com so we can help connect you to an artist!

Lastly for now:

6th Ave is often what people think of when they think Tacoma (we even won The City of Destiny award!) but it takes the community to make it great. Volunteers, Committees, Business + Building owners. Are you doing your part? Are you paying your dues so we can keep making this district what it should and needs to be? Are you attending a meeting or emailing me your thoughts / ideas? We’re ALL busy - but we’re all part of a special group that chooses to take on and give back by opening our businesses here. Help everyone by participating in the vision together.

Progress Takes Time and Money

For all of you "what have you done for me lately" naysayers out there, have a look at these 3 photos. Do you have any IDEA of how much time/effort/funds have gone into making your 6ABD a better place? I can hear the bah humbug now. Well, no one asked you for that or we don't need any help or we need no voice/liaison to the city of Tacoma. Are you kidding me, or are you just kidding yourself?

Let's all get on the bus of progress and do something together. Businesses working together is what made the Gateway pieces, the banners, and the soon-to-be-installed Big Belly Solar Compactor wraps possible. Look for more improvements to come. If every business paid dues we could do great things.

AoA Beer Garden Updates
Hello 6th Ave Bars/Restaurants,

If you would like to have a beer garden at this year’s Art on the Ave the following are required:

1. Fill-out beer garden application using this link: https://goo.gl/forms/lNAyY6KANzbVbgex2
2. Pay the $500 beer garden fee
3. Provide WA State Liquor Control Board with a letter of intent and map of your beer garden. The letter of intent and map should also be sent to Katie at katie@thewarehousetacoma.com.
4. Requirements - Beer gardens will not be allowed to go past the center lane of 6th Avenue. If you do not follow these instructions, you will be asked to remove your beer garden. City of Tacoma Fire Code requires a lane for emergency vehicles. This year’s festival lay-out will require us to keep the center lane open.

If you have any questions, please feel free to email Katie at katie@thewarehousetacoma.com.

Wine Walk
[continued from page 1]

Update on sales: we are sold out! We will be making the decision soon as to whether or not we will have tickets available for day-of purchases and will keep you updated on that decision. Either way, we’ll have lots of happy wine walkers milling around The Ave for you to chat with, so have fun!

Things to consider for the event: We will drop off wine and appropriate accoutrement (fancy word for stuff) to everyone in the hours leading up to the event. You may want to think about getting a pitcher for water in case someone would like to rinse out their glass, as well as a waste receptacle for said rinse outs. We will have balloons outside the pour locations to help wine walkers find the shops, but you will need to have something outside to secure the balloons to. Most of us have sidewalk signs which will be perfect to attach the balloons to.

Any questions or immediate needs, feel free to reach out. Keep being awesome, everyone!
